Join us at the Hyatt Regency, Kaanapali, Lahaina, Hawaii

HYATT REGENCY MAUI RESORT & SPA, LAHAINA, HI - Five-Day Course, 25 CME Credits

Set upon 40 oceanfront acres on Maui's Ka'anapali Beach, Hyatt Regency Maui Resort and Spa offers a true getaway in paradise. Experience Hawaiian hospitality with on-site resort activities including a traditional lu'au and stargazing. Stay loose on the links with access to oceanfront golf or retreat to the beachfront spa.

PRACTICAL TIPS FOR THE PRACTICING PATHOLOGIST: FOCUS ON GENITOURINARY, PULMONARY, GYNECOLOGIC AND HEMATOPATHOLOGY

Our World-Renown Faculty include:

Alejandro Gru, M.D., University of Virginia Medical Clinic

Brooke Howitt, M.D., Stanford University Medical Center

Cristina Magi-Galluzzi, M.D., Cleveland Clinic

Sanjay Mukhopadhyay, M.D., Cleveland Clinic

Rhonda Yantiss, M.D., Weill Cornell Medical College

Our Lecture Titles:

1. Must-know Morphologic Findings in Thoracic Pathology
2. Endometrial Stromal Neoplasms: Update on New Entities and a Practical approach to Diagnosis
3. Updates in Cutaneous Lymphomas According to the Recent WHO Classification
4. Challenging Diagnosis in Bladder Biopsy and TURP Specimens
5. Changes in Lung Cancer Terminology: 2010 Versus 2020
6. Uterine Smooth Muscle Tumors: A Practical Approach
7. Cutaneous Pseudolymphomas
8. Prostate Cancer Evolution: What the Pathologist Needs to Know
9. Interstitial Lung Disease Theory Versus Real Life
10. Mullerian Adenosarcoma: An Update in Diagnostic Approaches and Differential Diagnosis
11. Chronic Colitis: Would the Real IIBD Please Stand Up
12. Cutaneous Histiocytoses
13. Prostatic Adenocarcinoma: Morphologic Subtypes and Areas of Diagnosis Difficulty
14. Crash Course in Mediastinal Pathology
15. Whatever Happened to Appendiceal Adenomas and Pseudomyxoma Peritonei?
16. Renal Cell Carcinoma with Eosinophilic Cytoplasm: Old and New Entities
17. Staging Lung Cancer in Lobectomies: Are You Going it Right?
18. Endometrial Carcinoma: Integrating Histologic and Molecular Features
19. Concerning Colorectal Polyps
20. Testicular Tumors: An Update
21. Ischemic Enterocolitis is a Great Mimic of Just About Everything
22. Pediatric Melanocytic Tumors: The Good, the Not-So-Good and the Bad. Where Do You Trace the Line?
23. Undifferentiated Endometrial Carcinoma
24. Pediatric Melanocytic Tumors: The Good, the Not-So-Good and the Bad. Where Do You Trace the Line?
25. Colorectal Cancer Staging issues
